

The logo features the text 'GREEN STUDIOS' in a large, bold, white, sans-serif font, centered horizontally. Below it, the words 'LANDSCAPE TECHNOLOGY' are written in a smaller, white, sans-serif font, also centered. The background is a lush green landscape with various plants and grasses. Overlaid on the image are several thin, white, hand-drawn style lines that form abstract, organic shapes, resembling stylized leaves or branches, framing the text.
